

Community Partnership Ghana for Youth and Women Development

In Ghana we know how to develop our communities and how to reduce poverty

The local NGO Community Partnership Ghana (CPYWD) supports youth and women in Northern Ghana as follows:

CPYWD Ghana

1. Building partnership

Sustainable partnership with communities, leaders, schools & internationally

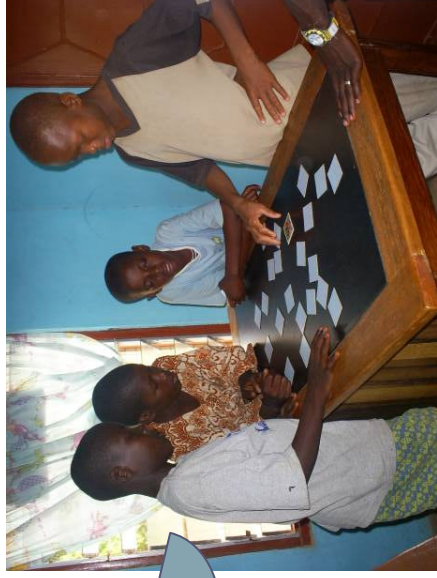

4. More perspective & ownership, less poverty! The community takes over.

2. Offering training & resources

3. Influence skills & attitude & desire

Community Partnership for Youth and Women Development, Ghana (CPYWD)

10%club 2 projects Northern-Ghana

1. After School Programs for youth and to build a educational and recreational Discovery Centre
2. Beekeeping project. Women are trained to become beekeepers, in order to produce honey and generate an extra income.

Both projects are also on the 1%club:
