

# Community Partnership Ghana for Youth and Women Development

*In Ghana we know how to develop our communities and how to reduce poverty*

The local NGO Community Partnership Ghana (CPYWD) supports youth and women in Northern Ghana as follows:

**CPYWD Ghana**

1. Building partnership

Sustainable partnership with communities, leaders, schools & internationally

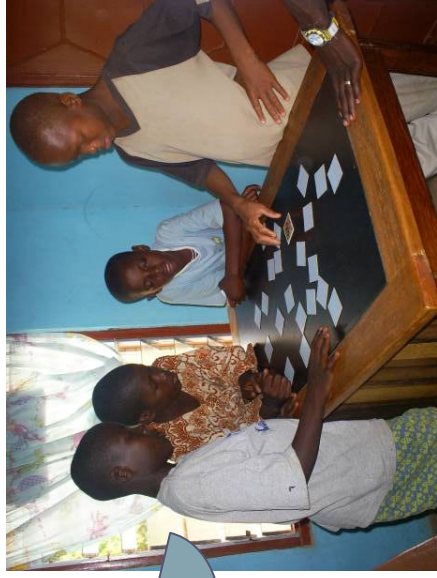

4. More perspective & ownership, less poverty! The community takes over.

2. Offering training & resources

3. Influence skills & attitude & desire

Community Partnership for Youth and Women Development, Ghana (CPYWD)

# 10%club 2 projects Northern-Ghana

1. After School Programs for youth and to build a educational and recreational Discovery Centre
2. Beekeeping project. Women are trained to become beekeepers, in order to produce honey and generate an extra income.

Both projects are also on the 1%club:
